DISCOVER THE WORLD OF ENGINEERING & TECHNOLOGY

Discover what Zeeland has to offer in engineering and technology.
During the TechXplore public event, you'll have the opportunity to meet Zeeland-based companies and discover different industries and careers. Whether you're looking to start working soon, exploring a new career path or simply curious about what the future holds: come and experience the opportunities available to you.

What can you expect?

TechXplore is divided into 7 worlds. Each world showcases a different sector, featuring its own companies, activities and real-life stories.

In each world, you'll find a variety of interactive, hands-on activities. Discover and experience what happens in each sector and get a glimpse of the jobs and work of today and tomorrow.

TechXplore Event

TechXplore is Zeeland's largest engineering and technology event. On 1, 2 and 3 December, almost 4,000 second- and third-year secondary school students from across Zeeland, from pre-vocational to pre-university level, will come together to discover the world of technology.
By taking part in TechXplore, participating companies are investing in Zeeland's future workforce. The public event is a great opportunity to bring companies, career changers and jobseekers together.
A great opportunity to meet, explore opportunities and take the first step towards a new job, career change or next career move.
